EMERALD LAKE EASTER RITES SET APRIL 12

Committee to Handle Sunrise Services Selected

Picturesque Emerald Lake Bowl at the base of the giant cross west of Redwood City again this year will be the setting for Easter Sunrise Services for peninsulans when on April 12 at 5:39 a.m. a brief program of worship will be held.

Mayor Charles G. Lambert was appointed master - of - ceremonies when the executive committee of the Menokirk Club, Protestant men's organization, met Monday to make plans for the annual inspirational service. The Menokirk, Ministerial Union, which is arranging for a speaker, and the city council, representing the city, owner of the bowl, are sponsors.

Wilbur H. Doxsee, club president, is general chairman. Otis M Carrington, Sequoia high school music instructor, is arranging for the musical program.

Under direction of Acting City Manager Charles Dimmitt, a crew of men was working today cutting weeds at the bowl and getting it ready for the service.

This year's rites will be the seventh at the bowl. Upwards of 5000 persons from all sections of the peninsula have attended the ceremonies for the past two years. The natural bowl has been terraced to make standing easy. Acoustics are exceptionally good.

Broadway Cafe Opening Is Set After Changes

Opening of the Broadway Cafe, formerly Foley's Buffet, will take place tomorrow, it was announced today by George Mulcady, manager. L. G. Hersey is owner of the new establishment. The building has been completely remodeled and modernized, making it one of the most up-to-date on the peninsula.

The opening will be held tomorrow with sandwiches and beverages available to the public. On Monday they will begin serving a special merchant's lunch which will feature the use of Kitchen-Craft Aluminumware for all cooking. Under this system vegetables are cooked without water and without peeling at below boiling temperatures, insuring the retention of mineral and vitamin content. Meats are cooked without grease, making them easily digestible. The food is said to be tastier and more healthful cooked in this manner than in any other way.

Mrs. C. Carlston, specially trained dietitian and cook, will prepare the meals and plan the menus daily.

Everglades Park in Florida is 600 miles farther south than Cairo, Egypt.

SETTING FOR EASTER SERVICES

'Safety Vision' Headlight Value Told By Dealer

Traffic surveys reveal the fact that a large percentage of automobile accidents, particularly those resulting in fatalities, occur at night, according to Harry Dearborn, Chrysler-Plymouth dealer here.

"Obviously," stated Dearborn, "defective headlights are the cause of mose of these accidents. In many cases, the improper adjustment of the headlight throws a blinding glare into the eyes of the oncoming driver. In other cases, the range or strength of the headlight beam is not sufficiently great to reveal objects within a safe stopping distance.

"To lessen this hazard, engineers have developed a new type of head lamp known as 'Safe Vision,' as used on 1936 Chrysler automobiles.

"This improved headlamp," said Dearborn, projects a strong beam for an exceptionally long distance, and at the same time, adequately illuminates both sides. In addition the 'Safe Vision' headlight contributes another important factor to night driving. Without removing his hands from the wheel, the motorist may depress a foot control button which lowers the headlight beam, and deflects it to the right side of the road. In this position, glare is removed from the eyes of approaching drivers."

June Harra 'Better' At Mills Hospital

"Slight improvement," according to Mills Hospital attaches, was noted Tuesday in the condition of June Harra, 14-year-old Sequoia sophomore seriously injured nine days ago in a grade crossing accident.

GRAHAM HOME DESTROYED

The home and furnishings belonging to John Graham, operator of the Kings Mountain Inn, located on the Kings Mountain road west of Woodside, was destroyed by fire which broke out shortly before 10 Wednesday. Fire Warden Bert Werder's department answered the alarm, but had not returned to Redwood City late today.

Recipe Booklet Offered Readers Without Charge

One of the most atractive cook books seen for some time is the "Star Olive Oil" recipe folder, containing over 30 recipes showing several new ways in which olive oil can be used. While they last, The Tribune will see that readers receive a copy without charge. Just address a postal card to Home Economics, care of Redwood City Tribune, and you will receive one.

Expansion Of Appliance Factory Told In Report

Manufacturers of Grunow Refrigerators this week announced that they have increased the output of their factories to the largest point in the history of the company and expect 1936 to be the leading year in sales.

Grunow Refrigerators are manufactured by the General Household Utilities Company which Mr. W. C. Grunow personally directs and with whom Mr. George H. Ball is associated. Mr. Ball recently purchased the Chespeake and Ohio Railroad system and is considered one of the most influential financiers in the east.

Expansion of the company's present plant which is valued at seven million dollars is also contemplated in the near future. Reinhard and Co. are local dealers for the Grunow Refrigerator.

Overdose of Tablets Fatal to S.M. Woman

(Special to The Tribune)

SAN MATEO, Mar. 23—Believed by police to have attempted suicide with an overdose of sleeping tablets, Mrs. Jean Lera, 27 of 614 Fifth avenue, died in Community Hospital at 10:30 a. m. today.

Mrs. Lera, who was reported as having had marital difficulties, took the tablets Friday evening, but she was not discovered in her room by her landlady, Mrs. Leona Tresser, until Saturday evening. She was rushed to the hospital.

Ide's Use Makes Bakery Dainties Eatable By All

Food experts, physicians and hospitals have discovered that it's healthier to bake with Ide's Mayonnaise than by old-fashioned methods. For Ide's is entirely free of "stearine," the heavy, hard-to-digest fat which has made baked foods disagreeable to many people. Pies and cakes baked with Ide's Mayonnaise are fresh and tasty longer than if baked with the usual shortening, milk, butter and eggs. The uniform, even texture of Ide's assures the housewife perfect results every time—delicious baked foods that are easy to digest.

Baking with Ide's Mayonnaise is a boon to the busy cook with a limited budget and little time to prepare meals. No creaming is necessary—dry ingredients mix readily with mayonnaise. It takes almost no time at all to whip up fulffy biscuits, cakes, pie crusts; here is a simple, economical recipe for:

IDE'S NUT BREAD

3 tablespoons Ide's Mayonnaise
1½ cups sugar
1 cup seedless raisins
3 cups pastry flour
1½ cups water
3 teaspoons baking powder
¾ teaspoon soda
½ teaspon salt
1½ teaspoon vanilla
¾ cup chopped nuts

Wash raisins and soak for a few minutes in hot water. Mix the mayonnaise and sugar. Drain raisins and add. Add water and blend well. Sift together the dry ingredients and mix thoroughly with the mayonnaise mixture. Add vanilla and nut meats (walnuts or pecans). Pour into well-greased and floured loaf pan. Bake in moderate oven (375 degrees) for 1½ hours. Allow this bread to cool for several hours before cutting.

New Sandwich Booklet Offered By Kilpatrick's

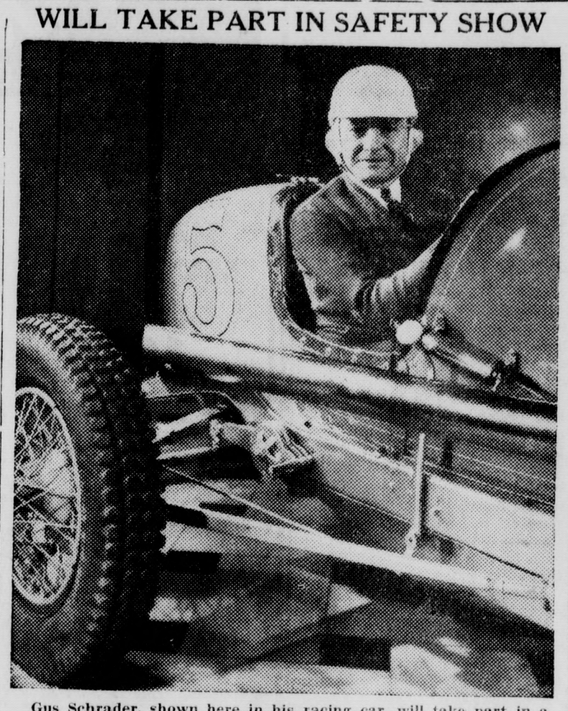
New and timely help for the housewife and mother is provided in a new sandwich recipe booklet, just published by Kilpatrick's, bakers of the famous Kilpatrick's Bread. It is being offered free to all who write to the bakery for it.

This new booklet, called "Kilpatrick's Perfect 36," gives 36 tested sandwich recipes, so arranged that by turning to the proper section, half a dozen suggestions are instantly available for sandwiches to suit any occasion. There are recipes for sandwiches for men, sandwiches for picnics, party sandwiches, children's sandwiches, cocktail sandwiches and toasted sandwiches.

Directions in each case are clear and simple and by following them even the most inexperienced cook can produce tasty and appetizing sandwiches with little difficulty.

To obtain the booklet, write to Kilpatrick's Bakery, 255 Shotwell street, San Francisco. A post card will do and the booklet will be sent promptly.

WILL TAKE PART IN SAFETY SHOW



Gus Schrader, shown here in his racing car, will take part in a Cafety Campaign show to be held here Tuesday under sponsorship of the Redwood City Lions Club. His driving stunts will be contrasted with the antics of Lew Brown, billed as "America's Most Careless Driver." Both are veterans of the dirt track speedways. The show, which will be announced over the loudspeakers by Jack Story, nationally known announcer, will take place on Hamilton street, between Marshall street and Broadway, on Tuesday at 2:30 p.m. The exhibition of driving and stunts will last 45 minutes. The event is being brought here by Montgomery Ward & Company in the interest of public safety. The show is free.

Western Auto's Founder Began In Modest Way

Many are the times you and I have dreamed of what we would do if we had a million.

George Pepperdine had been a farm boy on the rolling hills of southeast Kansas. He had trapped and sold rabbits for his spending money—and then spent it on such vanities as overalls and denim shirts.

George Pepperdine, Founder and Pres., Western Auto Supply Co.

He sensed the limitations of such a life and determined to escape these by going to the city where life pulsated and where those new-fangled automobiles could be heard chugging every day.

Fascinated by these sounds, he managed, after taking a short business course, to get a job as bookkeeper with a garage and tire vulcanizing concern in Kansas City.

With his first five dollars from this job, he determined to buy 100 postage stamps. As head of the great Western Auto Supply Company, with 1200 employes, George Pepperdine still remembers the waggish postal clerk from whom he bought the stamps.

"You're not going to send that many postcards to your sweetheart?" the clerk asked.

"No," replied Pepperdine soberly, "I'm going into the auto accessory business."

It was a courageous thing to do in those days, when only the most expensive cars had tops and windshields, when head lamps burned acetylene gas and the word bumper referred to nothing but corn or wheat crops.

Having gained the names of 500 auto owners and having enlisted the aid of a young printer, Pepperdine was ready to solicit his first customers, and when he surprisingly got a few orders, a friendly wholesale house sold him goods to fill these orders.

He rented a corner in a garage and started his one-man business. Ill health forced Pepperdine to sell out and come to California.

Recovering his health out here, the former Kansas farm boy who staked his future on 500 one-cent stamps and found Providence kindly, has reached the peak of the auto accessory business.

MILITARY REPRESENTATIVE

F. A. Bloom, City Hall, Burlingame, has been appointed the Military Training Camps Association representative for San Mateo county. He will be in charge of the association's activities in enrolling suitable young men for the 1936 citizens' military training camps.

Two School Teachers Sue Over Collision

Two school teachers injured last November 8 in an automobile collision on El Camino Real near San Carlos Tuesday brought damage actions totaling more than $37,000 for injuries they suffered.

Named as defendants are Rina H. Esson, driver, and Marie E. Dakin and J. H. McGinn, owners, of the machine with which the car occupied by Macy Williams of Los Gatos and Camilla Heald of San Jose collided. Williams asks $11,808.30; Miss Heald, $25,882.30. R. V. Bressani, San Jose attorney, filed the actions.

Lions Sponsor Safety Driving Show Tuesday

Under sponsorship of the Redwood City Lions Club and with cooperation of Redwood City schools, a safety driving show will be given here Tuesday at 2:30 p.m. on Hamilton street, between Broadway and Marshall street.

Montgomery Ward is bringing the show here in the interests of public driving safety.

Two famous dirt track racers, Gus Schrader and Lew Brown, will demonstrate proper and improper driving methods, and will engage in dramatic auto stunts in their performance.

Jack Story, nationally known narrator who has announced the National Air Races, the All-American Air Races, and automobile speed events, will be at the microphone to broadcast the various events.

The event is free.

TWO SEEK RE-ELECTION

(Special to The Tribune)

BURLINGAME, March 24.—City Treasurer Frank Bloom and City Clerk James Murphy filed papers for re-election today. Both, it is expected, will run unopposed. Bloom has held his office for 11 years, Murphy for 26.

Double Bill On Program At New Redwood

The Redwood Theatre today announced that they have two major features scheduled for Sunday and Monday which are paired with the idea of pleasing everyone.

The first picture is "Miss Pacific Fleet" starring Glenda Farrell, Jean Blondell and Allen Jenkins. It is a comedy picture of the navy.

The second feature is "Hard Rock Harrigan," starring George O'Brien and Irene Hervey. It is a picture filled with fast action, dynamite and thrills.

Three featurettes complete the bill.

Hansens Acquire New Home In Redwood City

Mr. and Mrs. H. Hansen and son, Henry, proprietors of the Sequoia Bakery, today announced that they have purchased a home in Redwood City at 1226 Hopkins avenue and have taken up residence there, having sold their home in Burlingame where they were in business for many years.

The transaction was handled by Julius Smith, realtor.

WILL APPEAR AT SEQUOIA

Jean Harlow and Clark Gable as they appear in their latest picture, "Wife vs. Secretary," playing at the Sequoia Theatre Sunday, Monday and Tuesday. On the same bill will be Edmund Lowe and Virginia Bruce in "The Preview Murder Mystery." There will be a continuous show Sunday starting at 1:30.

Walster's Adding New Department To Store Space

Construction is under way for a new downstairs room at Walster's Department Store, 355 University avenue, Palo Alto. Three departments will be devoted to the new space: Bedding, Linen and Domestic good; nurses' uniforms and wash dresses; play togs, beach wear, and vacation clothes. The latter department will be devoted to toys during the holiday season.

This makes Walster's third expansion since 1932. In 1935 the store leased the entire main floor of the Masonic Temple building. The addition of the downstairs department makes the store one of the largest of its kind on the peninsula.

WHO'S LAMSON?

* * * * * *

Boy Surprises All

* * * * * *

HE KNOWS NOW

MENLO PARK, Mar. 23.—Who is David Lamson? There's at least one person in this vicinity who doesn't know—or at least didn't until yesterday.

A Palo Alto negro youth who had fallen asleep in a stolen car parked on the driveway of Dr. Margaret Lamson's home here early yesterday was found by Dr. Lamson upon her return to her house at 836 Creek drive. Fearing thieves or cranks, Dr. Lamson notified police, who in turn located the boy sleeping in the automobile.

Giving the name of Alvin Stephenson, 18, 1045 Fife street, Palo Alto, the boy said he had taken the car from in front of the Cardinal Hotel, driven it around Menlo Park, Palo Alto and Atherton, and then parked it where he was found, officers said. He told police who questioned him about being at the Lamson home that he had "never heard of Lamson or the Lamson case."

Hatchet Murderer Held for High Court

(Special to The Tribune)

SAN MATEO, March 14.—Frank Mayeda, San Mateo Japanese gardener who has confessed the hatchet-murder of Mrs. Mina Urabe, was bound over to superior court on charges of first degree murder when he appeared today before Police Judge Arthur H. Stetson in San Mateo. Testifying were Frank Urabe, husband of the slain woman; Dr. James Warburton, city health inspector; and Police Officers Frank Steele and Martin McDonnell.

Night Coughs

Quickly checked without "dosing." ..Just rub on VICKS VAPORUB

Something to warm the cockles of the feminine heart are royal blue kidskin mules appliqued with sprays of silver flowers, a stunning accent for a rose colored house coat of hammered satin, girdled with silver lame.

Fifty thousand ducks wintered this year on the Cimarron river near Great Bend, Kas.

There are 100 cities of 100,000 population or more in the United States and Canada.

Soviet Russia imported only 428 automobiles in 1934, compared with 6671 in 1930.

Improved conditions in German agriculture have increased sales of farm machinery.

PEDESTRIAN HIT BY CAR

PALO ALTO, March 23 — When he reportedly leaped in front of the car driven by William H. McKaig, 19, in which Jesus Ramirez, Menlo Park, was riding, Joseph M. Shand, 36, Palo Alto, received a skull fracture, broken pelvis and slashed left leg early yesterday. The accident happened at the junction of University avenue and El Camino Real. Shand was taken to Palo Alto Hospital.

Menu Flashes by Joan Andrews

Artichokes are still contributing abundantly to the wholesome and attractive variety of our menus. Did you know that in some parts of Europe the people enjoy raw artichokes, seasoned only with salt and pepper? I prefer another European idea for using artichokes—the artichoke omelet. Saute cooked artichoke hearts in Golden State butter. Then add seasoned, beaten eggs and cook gently. It's easier if you cook this omelet pancake style, as the Italians do.

To be sure of serving this omelet at its best, use Golden State butter. You will need quite a bit of butter in this recipe, and an inferior butter would spoil the delicate flavor. Golden State butter, however, lends added richness and goodness to all foods with which it is used.

ASK YOUR DEALER FOR Golden State DAIRY PRODUCTS

Listen to Golden State Menu Flashes every Monday and Friday at 10 a.m. over KPO

MENLO PARK NEWS

The time for filing for city offices expired at noon on Wednesday. The following have filed their applications: Harry Lusk and John B. Welch, councilmen. They will take the places of the two incumbents, Harry Weeden and Professor Hart, who did not choose to run. Mrs. Fannie I. Kurtz has no opposition for city clerk. She has ably filled the position since the incorporation of Menlo Park.

J. W. Ryan, incumbent, and Mrs. Frances Maloney will contest for the treasurership. Mrs. Maloney is an accountant, stenographer and typist and before her marriage to Cornelius Maloney, the local painter, had charge of a big commercial concern in San Francisco. Mrs. Maloney is thoroughly qualified to fill the position. Mr. Ryan has been treasurer for many years.

Harry Lusk, who seeks a place on the council, has been a resident of Menlo Park for some years and is engaged in the electrical business here.

John B. Welch is a well-known accountant for the Bank of America in San Francisco. Mr. Welch is a graduate of Santa Clara University. He is a gentleman of character and standing and respected by everyone in Menlo Park where he has lived since childhood. He will make an excellent official. As there are two to be chosen the candidates are sure of election.

Mr. Harry Weeden, the retiring councilman, carries with him to his retirement the best wishes of his many friends. Mr. Weeden during his two terms on the council, three years of which he was mayor, has made an enviable reputation for honesty, probity and industry. He was untiring in his efforts for the city's good. No man ever gave more of his time to his duties, both as councilman and mayor. The city loses a faithful, loyal and honest official in the retirement of Mr. Weeden.

Mr. Hart, who has just completed one term, has made a splendid record for ability and honesty. He is a hard worker and did much for Menlo Park.

The city council at a meeting held Tuesday evening appropriated $25 for the Red Cross branch here. The money is to be forwarded to the flood sufferers in the East.

Leonard Bugna, a resident of Fine street for some time, has moved into the gate house on the Hahn estate. Mr. Bugna has been superintendent of the grounds for many years.

Mrs. J. McDermott of San Francisco spent the day with Mr. and Mrs. W. H. Weeden Friday. The McDermotts are former residents. Mr. McDermott was foreman in charge of construction of the St. Patrick's Seminary many years ago.

San Mateo County Past Presidents' Association No. 9, Native Daughters of the Golden West, will entertain the chief president at Central School auditorium this evening. Busses have been chartered to bring guests from Oakland and San Jose.

A quiet wedding last Saturday evening at the Menlo Park home of Mrs. Laura Pennington united Miss Myrtle Morris, daughter of Mrs. Pennington, and Mr. Walter Schreck of Palo Alto. The Rev. Paul H. D. Lang of Trinity English Lutheran Church officiated. The couple will live in Menlo Park.

Mrs. J. S. Abreu gave a birthday party last Saturday afternoon in celebration of the sixth birthday of her daughter, Merrilee Claire. Others present were Carol and Patricia Ryan, Norma Wright, Jacqueline Seeley, Barbara and Mary Lynn McCleary, and Carolyn Abreu.

Mr. and Mrs. Francis Johnson are receiving congratulations on the birth of a daughter at the Palo Alto Hospital Sunday. Mrs. Johnson was Miss Esther Bearce, daughter of Mr. and Mrs. H. H. Bearce.

Mr. and Mrs. Felix McGinnis moved down to their Menlo Park home over last week-end, planning to stay on the peninsula until after Easter. At that time alterations on their Washington street home in San Francisco, where they spent the winter, will be completed.

Mr. and Mrs. Frank Buck, who are circling the world on the Franconia, have completed half the distance and are now in Bangkok, Java, Bali, the Philippine Islands, China, Japan and the Hawaiian Islands are still to be visited by the travelers before their return to California in May.

E. H. Price Elected Fiction Guild Head

E. Hoffmann Price, Redwood City fiction writer, holds the office today of president of the San Francisco Chapter of the American Fiction Guild, national organization of professional writers.

He was elected at a recent meeting in San Francisco at which the bay city guild was organized. William Bruner, until recently a resident of Palo Alto, is secretary-treasurer.

Frank S. Brown, Here 65 Years, Passes at Noon

Frank S. Brown, a resident of this community for the past 65 years, passed away at his home, 50 Central avenue, Wednesday following three months' illness. He was a native of the Azores Islands. He has been retired since 1920.

He is survived by the following children: Mrs. May Silva, San Mateo; Mrs. Clara V. Plecq, El Cerrito; Mrs. Florence Lopez, Redwood City; Mrs. Gladys Brister, Palo Alto; Manuel Brown, Modesto; Frank Brown, Santa Rosa, and Fred Brown, Oakland.

He was the father of the late Mrs. Jennie Cardoza and was a brother of the following: Manuel and Antone Brown of Warm Springs; Joseph Brown, Irvington, and Silvera Brown, Brazil, South America.

Thirty-five grand children and five great grandchildren also survive.

Mr. Brown was a member of the Foresters of America and of the I. D. E. S. of this city.

The funeral will be held on Saturday morning at 9 o'clock from the Layng & Tinney Funeral Home thence to Mt. Carmel Church where a requiem mass will be celebrated at 9:30 a.m. Interment will follow in the family plot in Holy Cross Cemetery at Menlo Park.

James Waters Denies Charges in Action

James F. Waters, San Francisco auto dealer, will file a formal answer to the charges that he installed Mrs. Pauline Hace as manager of his Woodside estate and promised to marry her.

Waters vigorously denied all charges in the $200,000 breach of promise suit filed by Mrs. Hace Monday. According to his attorney, Walter McGovern, Walters will resist the action to the utmost.

SEWER PROJECT PLANNED

(Special to The Tribune)

BELMONT, March 25.—The Sanitary Board has voted to make application for WPA labor for the installation of a sewer on the Old County road. Engineer George A. Kneese was authorized to compile the data on the project. The board also authorized the purchase of 200 feet of hose from the fire department for flushing sewers.

GO ON... ASK ME ANOTHER

IT TAKES *study* to be a good grocer these days.

We grocers who belong to "the Safeway family" aim to be honor students in our business.

We can tell you, for instance, the difference between can sizes—what's *inside* the cans—how to select fruits, vegetables, tender meats—how prices compare grade for grade (and quality within each grade).

We don't claim to know *all* the answers. But this is a promise—*you'll never catch a "Safeway family" grocer twice on the same question!*

Children's Colds Should Have This Safe Treatment

Young Mothers Benefit from Two Generations' Proof of This External Treatment For Fighting Colds.

IT AVOIDS CONSTANT "DOS!NG"

There's nothing like a child's cold to upset a young mother. And mothers of two generations, anxious to help end colds, have depended on Vicks VapoRub. It is effective—external—and safe. It avoids the risks of constant "dosing," so often upsetting to children's delicate digestions.

Just rubbed on throat and chest at bedtime, VapoRub acts *two ways at once:*

1. By stimulation through the skin, like a poultice or plaster—
2. By inhalation of its penetrating medicated vapors, released by body heat and breathed in *direct* to inflamed air-passages.

Continuing through the night, this combined vapor-poultice action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion.

A Practical Guide for Mothers

Each year, more and more families are being helped to *fewer* colds and *shorter* colds by Vicks Plan for Better *Control* of Colds. Vicks Plan has been clinically tested by practicing physicians, and further proved in everyday home use by millions. Full details of the Plan in each package of Vicks VapoRub.

Over 53 26 19 Million Vick Aids Used Yearly for Better Control of Colds

McNutt Names Sooy Rodeo Group Member

Superior Judge Maxwell McNutt of San Mateo county, president of the Rodeo Association of America, Monday at a meeting in the Whitcomb Hotel named a member of the California Board to the association.

He is C. H. Sooy, San Francisco attorney who is well-known here. In addition, Roy Hubbel of Hollister was elected as representative of the shows. A third member will be named by these two.

Johnnie Morrison, near Buna, Tex., farms with a team of oxen.

Seven new airports in Northern Ontario are now available for landing.

Joan Andrews' MENU OF THE WEEK

Do you ever plan your meals backward? Start at the dessert and work back to the beginning? That's what I'm doing today, just because I happened across the most scrumptious pudding recipe. It's a recipe for Caramel-Pecan Pudding, and it's just as wholesome and digestible as it is tasty. Here's the menu:

Curried shrimps — *String bean salad* — *Steamed, brown rice* — *Buttered beets* — *Caramel-Pecan pudding*

For the string bean salad, use either fresh beans or the asparagus-pack canned beans. Soak the string beans in French dressing at least an hour, then serve them on lettuce garnished with grated, hard-boiled egg.

To make the pudding, caramelize half a cup of sugar by heating it slowly in a shallow pan until it is melted and a golden brown. Add one pint of boiling water slowly and boil until there are no lumps. Mix five tbs. of cornstarch with half a cup of sugar and one-half tsp. of salt. Add one pint of evaporated milk a little at a time, stirring to blend well. Stir this into the caramel syrup. Cook in a double boiler until thick, stirring frequently. Cover and cook 15 minutes more. Remove from the fire, add one-half tsp. vanilla and half a cup of pecan meats. Pour into molds.

A "lone wolf" credited with slaying 40 sheep and many young hogs near Beaumont, Tex., within the past six months has been trapped.

'On With Roosevelt' Dinner Set April 13

April 13 has been set as the date for the next county-wide "On With Roosevelt" dinner, it was announced today jointly by Mrs. Neenah Lesseman and Evans A. Fletcher, heading the committee in charge.

The affair will be in the Benjamin Franklin Hotel, San Mateo. Tickets for the dinner, stressed as being a "non-partisan" meeting, are $1. Reservations should be made at once with either committeeman or with the hotel.

CATCHING COLD?

Try this unique aid to nose and upper throat—where most colds start. Its timely use helps *prevent* many colds.

The remarkable success of Vicks drops has brought scores of imitations. The trade mark Va-tro-nol is your protection in getting this exclusive Vicks formula.

Just a few drops up each nostril

Verdict to Await Visit to Property

Before Superior Judge A. R. Cotton rules on Mrs. Louise Ziegler's complaint for an injunction to halt building "constituting nuisances" on her neighbor's property, he will make a personal inspection of the Belmont premises, he announced at the conclusion of a court hearing Tuesday. The visit will be made Thursday morning.

Mrs. Ziegler also asks $5,000 damages to her property, claiming that alleged unsanitary conditions on adjacent property have depreciated value of hers.

Defendants in the action, brought through Atty. Norman S. Menifee, are Mrs. A. S. Alexander, John Doe Saunders, Thomas and Sarah Pennington, Blanche Morris, five councilmen of Belmont, the health officer and sanitary inspector.

Power Concern Asks County For Franchise

Bid Is Seen As Move To Block Proposed County Utility

Under the threat of steps being taken by the County of San Mateo to go into the electric business, the Pacific Gas and Electric Company Monday appealed for a franchise to operate within the county and offered $1500 yearly for it.

The offer, which is declared to be 2 per cent of the gross earnings of the electric utility, amused Supervisor Albert Witt Jr., Colma, who declared that "this matter must be given very, very careful study." Witt charged that it was necessary to "smoke out" the information.

Witt declared that he had been attempting for two years to find out if the P. G. and E. held a franchise to operate in this county but that repeatedly County Executive Walter T. Kellogg, former utility manager, had ignored the request.

The offer today, which came from I. B. Adams, manager of the San Jose division, and approved by Vice President Paul Downing, was seen by Supervisor Witt as an admission that the company did not have a franchise.

Adam's letter claimed that "at the present time the Pacific Gas and Electric Company is operating under two electric franchises."

Witt said these "franchises" are probably "rate schedules."

Adams informed the board that "these franchises require no percentage of gross earnings to be paid to the county."

MAY BRING SUIT

The possibility that the utility will be sued for back franchise taxes was hinted by Supervisor Witt.

Witt revealed March 9 that he was studying the advisability of forming a county-wide utility district to buy electricity from San Francisco and distribute it to city systems at costs below P. G. and E. prices.

Adam's letter requesting the franchise was dated just 10 days later, or March 20.

Witt believes the $1500 offer may be too little an inducement to stop his utility movement.

Upon his motion, the proposed franchise matter was referred to County Executive Kellogg, County Engineer Urban Marshall, District Attorney Gilbert Ferrell, and the board as a whole.

★ ★ ★

PIERHEAD LINES SETTING OPPOSED

Opposition to the setting of pierhead lines in the South San Francisco waterfront area until the planning commission has completed its studies into the question was voiced by the board Monday.

The San Mateo County Harbor District has asked that the waterfront "setback" lines be established. Lower bay port interests have opposed former moves to fix the lines in the Redwood City harbor area.

★ ★ ★

JUVENILE HOME AREA PURCHASE APPROVED

Purchase by the county for $3500 of the Dusel property at Walnut and Ivy streets to complete the juvenile home parcel was approved;

Decision was reached by the board to confer with north-end clubs for improvement of Geneva avenue at a cost of $83,000 to provide proper approach to the new livestock pavillion now underway;

County Engineer Marshall was instructed to confer with State Highway Commission Timothy Reardon regarding San Mateo county highway projects desired in the 1937-38 biennium;

Appointment of an assistant to Sealer Wilbur Frey was approved by the board;

Petition to abandon Prospect street in Woodside Villas was granted;

Purchase of $1325 of property in Farallone City for beach purposes was deferred one week;

County Planner Hugh Pomeroy, Supervisor Witt and Engineer Marshall were authorized to attend a beach erosion meeting at La Jolla March 23;

Engineer Marshall turned in $805 refund for gasoline taxes on fuel used by county equipment, the first such revenue received, it is reported;

Changes in the names of Menlo and Stanford avenues, in Menlo Oaks, was referred to the district attorney;

Request of WPA that it allocate workers to jobs near their homes instead of requiring them to travel long distances was made.

RECALLS EPOCHAL FLIGHT

Emory Bronte, who holds the Congressional Medal of Honor for his flight from Oakland to Honolulu with Ernie Smith in 1927, traces his route for the benefit of Dorothy Burroughs. Record of this and other outstanding flights is contained in Associated Oil Company's new aviation history "Man's Quest for Wings," which may be obtained from any Smiling Associated Dealer.

Brazil's federal council for foreign commerce is studying creation of an officially directed monopoly to plant and export tobacco.

Consumption of leather by the automobile industry of the United States has been declining steadily since 1922.

Diver Tells Peril Of Trade in Talk To Exchangites

William Reid, famous deepsea diver and wearer of the Distinguished Service Medal, related undersea incidents connected with the San Francisco bay bridge building, the saving of 1800 lives on a battered liner which he patched, the recovery of bodies from the S-51, and risks involved in the trade, in a talk to the Exchange Club in the Hotel Sequoia Tuesday night.

Reid holds the world's record for deepsea diving with a depth of 245 feet. He told the club of the need for decompressing in coming up from the depths. Usually an hour is consumed in coming up from the depths in order to adjust the body pressure to that of the outside. Five hours more is then spent in decompressing tanks to avoid the dreaded "bends," caused. Reid explained, by bubbles in the blood.

Reid's congressional medal was awarded during the World War when he went out to sea and patched the former German ship, Graf Waldersie, while it was bringing in 1800 disabled American soldiers. He kept the ship afloat until it could be brought safely to port.

The diver discounted screen stories of perils from sharks and octupuses and said in 30 years he had never been attacked.

Dr. W. B. Langston, dentist, told the club of the new fluid anaesthetic agent, which, he said, has not yet proven its value.

Jack Fox, bridge company executive, was chairman.

$50,000 Track Suit Is Transferred Here

Kevin O'Conner's $50,000 damage suit against the Tanforan Race Track and its employes and owners, brought in San Francisco October 15, 1935, today was transferred to the San Mateo County Superior Court for trial.

O'Conner, agent for a San Francisco mutuel service bureau, alleges that he was falsely arrested as a vagrant at the track October 10, 1935, forcibly ejected, and consequently lost his job at $5 a day, besides having his reputation damaged.

Named as defendants are the Tanforan Company; "John Doe" Worthington and "John Doe" Chapel, as employes; Thomas Keene, J. W. Marchbank, Walter Marty and P. P. O'Connor, as owners; W. C. Buchanan, secretary of the California Horse Racing Board, and M. Anderson.

The change of venue was given February 19 by Superior Judge I. L. Harris.

Directed by two control stations, five radio patrol roadsters manned by police are cruising throughout Rio de Janeiro in what sponsors claim is South America's first radio control police system.

Mother's Guide to Better
CONTROL of COLDS

For Fewer Colds . .
Vicks Va-tro-nol helps Prevent many Colds

At the first warning sneeze or nasal irritation, quick!—a few drops of Vicks Va-tro-nol up each nostril. Especially designed for nose and throat, *where most colds start*, Va-tro-nol helps to *prevent* many colds—and to throw off head colds in their early stages.

For Shorter Colds . .
Vicks VapoRub helps End a Cold sooner

If a cold has already developed, use Vicks VapoRub, the mother's standby in *treating* colds. Rubbed on at bedtime, its combined poultice-vapor action loosens phlegm, soothes irritation, helps break congestion. Often, by morning the worst of the cold is over.

Follow Vicks Plan for Better Control of Colds

A helpful guide to *fewer* colds and *shorter* colds. Developed by Vicks Chemists and Medical Staff; tested in extensive clinics by practicing physicians—further proved in everyday home use by millions. The Plan is fully explained in each Vicks package.

53/26/17 Over Million Vick Aids Used Yearly for Better Control of Colds

Your Busiest Room

NEEDS THIS TELEPHONE

MOST LABOR-SAVING devices are concentrated in your kitchen. It should have a TELEPHONE, for convenience in ordering and answering, and as a handy means of knowing what's in season and how prices compare. It will save your time, strength, pennies. May we tell you more about it? A representative will gladly call.
